

# Junior Ranger

National Park Service  
U.S. Department of the Interior

National Historic Site  
South Carolina

Complete the following activities and share something you learned about today with a Park Ranger or Volunteer to earn your official Charles Pinckney National Historic Site Junior Ranger badge! By exploring the grounds, watching the movie, and viewing exhibits you'll learn more about this "forgotten founder" and important 18th century history.

Snee Farm mainly grew  
rice + indigo, but also  
grew local produce!  
Draw your favorite fruit  
or vegetable below!

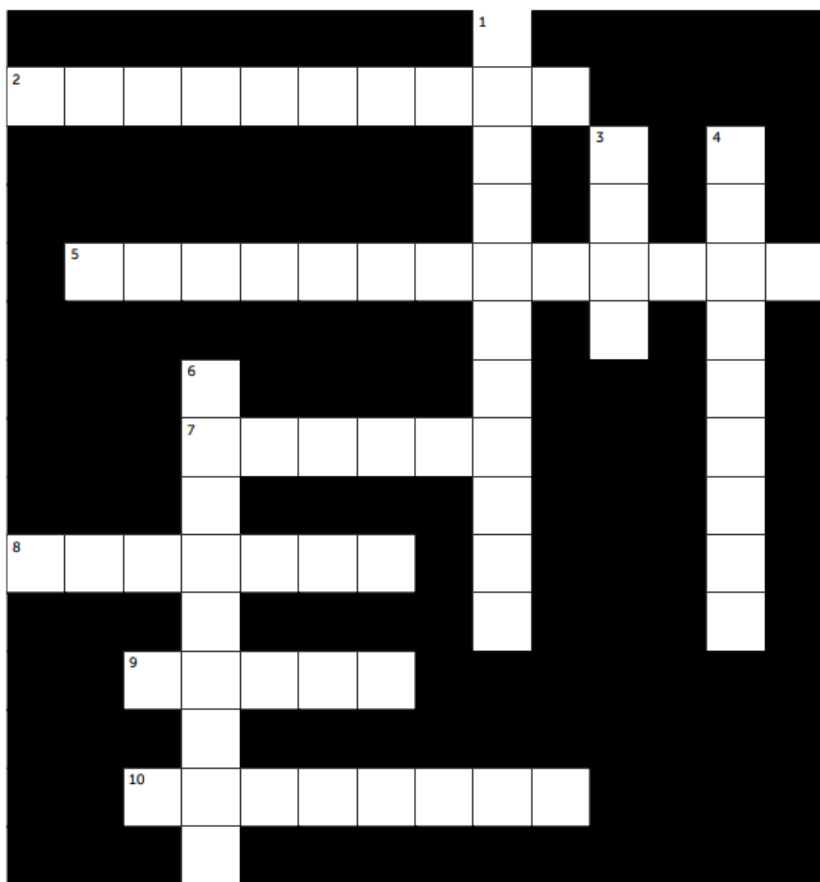

gullah geechee    constitution    united states    rice  
plantation        pinckney        basket  
snee farm         indigo            sweetgrass

Design a flag of  
freedom!

What does freedom  
mean to you? Create a flag  
that represents the most  
important things to you!

**ACROSS**

- 2 Someone who works at a National Park
- 5 The culture of people born in Lowcountry
- 7 A plant known for making blue dye
- 8 A species of large tree that can be found at the park
- 9 A path you can walk or run on to explore
- 10 The name of Charles Pinckney's plantation

**DOWN**

- 1 The first three words of the US Constitution
- 3 A major crop grown in the Lowcountry
- 4 The National Park Service \_\_\_\_\_ this park for visitors to enjoy
- 6 Historic machinery used to control the marsh tidal flow

When Charles Pinckney met with the other Founding Fathers in 1791, they probably had a lot of emotions knowing they were making history for the new country. How do you think they felt when signing the Constitution?
