

Zion National Park

Ranger-led Evening Programs

Enhance your understanding and enjoyment of Zion National Park by taking part in a ranger led evening program. Programs are offered in Zion Canyon from May to October. Topics include geology, plants, animals, human history, and more. All ranger-led programs are free.

Tuesday

Watchman Campground Amphitheater
8:30 pm

October 17

Balance in all Things: Whether it is the past, the present, or the future, Zion has been, and will continue to make conservation efforts a priority with both humans and nature in mind.

Wednesday

Watchman Campground Amphitheater
8:00 pm

October 18

Tune In: Open your Ears to Zion's Voices: From the sound of raging water to the sweet whistling notes from a bird that echoes across the canyon, Zion National Park invites you to come and learn about the unique soundscape in the park.

Thursday

Watchman Campground Amphitheater
8:30 pm

October 19

The Secret Life of Bats: Explore the secret life of bats that call Zion National Park home, learn about their amazing adaptations, and discover how we can help protect their dark sky habitat

Friday

Watchman Campground Amphitheater
8:30 pm

October 20

Challenges and Triumphs in Our National Parks: What does the NPS do? What is the purpose of Zion National Park? How did we get here? All of this answered, and more.

Saturday

Watchman Campground Amphitheater
8:30 pm

October 21

She Blinded Me With Science: The Science of Zion: Explore the science and scientists behind Zion National Park that shape your Zion experience.

Evening Programs end after October 21st
