Hi Christine,

I am an equestrian, preschool teacher, mother and dog walker. I am also a tax payer and my husband and I vote. The GGNRA seems to have a reputation for being exclusive, anti equestrian and anti dog. Apparently, it's proposed General Management Plan does not seem to reflect public opinion. Is this true?

Please show the bay area community that The GGNRA encourages public access to public land so your reputation can be restored.

Sincerely,

Jenny and Alan Whitman
