Sounds really good. You all are still on my calendar for Friday.
Who

else should I put on the invite - assuming Martha and Barbara?

Thanks

Hi Chris, I have been talking with my team on Friday and over the

weekend. We are still weighing the best use of Friday for our time

with you and when the optimal time for you to meet with the various

advocates- not at all, or this Friday, or after we brief them more

about our carrying capacity details. In the latter scenario, you would

meet them after that.

One thing to consider is there will be some challenges with various

key individuals and their pro bono attorneys who will want to attend

and have scheduling conflicts which will cause delay. We can recommend

which is best tomorrow. Either way, our GOGA team would still like to

meet with you on Friday.

Thanks for your patience,

Frank

For a conversation with stakeholders about the GMP? I'm happy to

extend the invitation by email if you can provide me the e-address.

Thanks. Hope you had a good weekend.
