The Change.org petition is a creature of Save Our Recreation, and perpetuates their intentional mischaracterization of our new GMP. This is off-leash dog advocates at their most deceptive and manipulative.

Dear Howard,

The model for my life drawing group last night is an old friend of our family. She forwarded this today.

This statement below is innocuous, but I didn't follow it further to see what this [Cnange.Org](#) petition is gathering. Please let me know, in case I need to bring it to the attention of P4P/P.

It's been good to see your follow-up on the Sutro Park drumming. The drummers sitting below the esplanade at Ocean Beach used to be a feature (may still be) and didn't bother anyone.

Thanks,
Amy

It's a rare week that I'm not in the GGNRA enjoying the trails or beaches. It's a rare day that at least one member of my family isn't there. Please let us keep using the trails for our health and our peace of mind. Please don't turn it into a park with fees and intrusive "land management." The GGNRA is fine as it is now!

President Barack Obama: Access to the Golden Gate National Recreation Area is in Jeopardy - Sign the Petition!

GINNY GORDON WALTERS JUST SIGNED THIS PETITION ON CHANGE.ORG.
