Adrienne, Howard,

sorry I am late on this (b)(6)

made edits based on yellow-marked check needed as well as a few significant word edits. see margins for clarifications. please go thru each page. let me know if you have any questions. I double-checked discrepancies with craig on figures. and am sending email to WASO regs on final rule to clarify if only being published rather than signed.

thanks,

Mike

Note: Adrienne-your page 2 did not align into doc well.

PS. Did not seem like you caught all of Michael's latest comments(eg. not signing of FEIS)

Chris et al: Here's the version that incorporates comments from our discussion earlier in the week. Adrienne, can you fix the format problems and add in SF Unified School Dist and Slide Ranch as groups for outreach? This is your last chance, everyone, so please give it one more look. Thanks. Howard
