Chris,

Okay, we will get back to her this week. I had not yet heard that she has been calling the park. Will have to hear latest from SOL on GMP as that is what Martha is likely calling about vis a vis dogs. That aspect is pretty clear, but others have been attempting to expand MUWO issue into the GMP ROD. Our final meeting with Rep. Huffman and the community on Friday will also give us a better idea of that landscape. SOL is engaged.

Hi Chris,

Martha Walters has called several times, following up on emails that she's sent

you. She is with the Chrissy Field Dog Group. She's also says she's contacted Frank but can't get a return call. Her telephone number is (b)(6).
