Hi Chris,

Attached please find CFDG's response to your letter dated August 7, 2015.

It is unfortunate that NPS Director Jarvis could not take the time to respond to the comments he made on KQED's Forum show in March, 2015. Hopefully he can learn something from our April 10, 2015 letter to him and to this response letter back to you. I cc'd him on this letter.

Also, I sent you this letter through the mail.

Thank you,

Martha Walters
