Subject: Re: GOGA -- Language for GMP ROD relating to DMP
Date: Wednesday, June 11, 2014 8:25:52 PM

Thanks Barbara - do you have time to talk on Monday morning June 16? We should have some updated language about the clarifications in the ROD for the non-dog issues to send before then.

We are not planning to reissue/reprint the GMP with changes - just use the ROD for clarifications.
