Howard,

Attached are the PWR and DOI Solicitor comments on your first draft (in track changes on your draft). I was delayed in my return from Europe but prioritized this high on the list since I know that you all are eager to move forward. Once you've had a chance to update based on our feedback, please send back through us again for another look. We'll plan to have the Acting RD take a look at that point in time. If you have questions on any of our comments, please let us know.

Best,

Stephanie

Hi Stephanie and Craig:

Attached is our final Communications Plan on the Draft Rule for Dog Management at GOGA. It reflects the input of a multidisciplinary team here in the park, as well as input from our lead at EQD, informed by many discussions with the Solicitor's Office and the Rules Office. Chris endorses this plan.

Please share with the Solicitor's Office and others to expedite review. Let us know if you need anything more at this stage.

Thank you.

Howard
