Hi Bill,

Here's the draft agenda for all day briefing on 4/30 with Chris L. Hope you can make it, at least for the morning. We need to prepare a presentation on park resources, and on potentially impacted resources.

I can't make the call tomorrow (finally got Mike to include me on the invite list so I can participate if I'm available). Sounds like call-in info is on the agenda. Would you be able to make the call? No big deal if you can't but let's touch bases Monday morning if possible to figure out how to prepare.

Thanks.
Daphne

Sorry, needed to update the subject line for mtg to 4/17. Also have included revised copy of briefing agenda with proposed time slots so that we can discuss preparation and timelines for your briefing materials .
