To continue to insure that we are on track with the interim action, we will again include it upfront in our meeting to address critical & outstanding issues requiring resolution or common understanding.

**Please review the draft agenda, submit any changes or additions that you wish to me by Friday at 9AM, and be prepared to address those topics you are identified with herein.

Also need an oppty to review IDT follow-up, rulemaking and FOIA. Please allow for later items until 11:15.

thanks,

Mike
