Dear Educator,

Thank you for your interest in a class trip to the Flagstaff Area National Monuments. Parks are wonderful outdoor classrooms and are most educational and successful when you and your students are familiar with the site and its resources prior to your trip.

You will need to contact each monument individually to schedule a class trip. Each monument has its own registration form that will need to be submitted at least one month in advance.

Your cooperation in protecting and respecting our parks is appreciated. We look forward to your visit.

Sincerely,

Sam Henderson
