Howard,

Did you see the note Chris was forwarding to us below hers? I recall he reached out to her over the summer and also talked his way through Janet to my desk phone.

I believe we left a copy of these Talking Points/FAQs when we were over there on Jan 30, but here's an electronic version.

It's been eerily quiet since the press release on Monday, but it may be nothing more than general lack of concern by the media and broad public. Certain stakeholders are exercised over this, of course, but I think it may not be particularly newsworthy. There seems to be much more interest in Frank's news.

Fingers crossed.
