Chris sent this to me after he sent it to you, which I appreciated. I replied and told him to be nice to my clients tonight! Good luck.

Subject: Tonight's Meeting

Dear Superintendent Dean:

I am sending you this note just in case we don't get a chance to meet before this evening's meeting at Tam Valley. I will be there early, and will certainly look for you at the meeting.

I represent the Mount Tam Task Force (MTTF) with respect to the GMP and, particularly, plans to increase the number of visitors to Muir Woods National Monument and to formalize illegal parking on Muir Woods Road next to Redwood Creek. I am evaluating legal options for MTTF to address these concerns. I look forward to exploring with you and your staff ways to address MTTF's concerns about Muir Woods and the ecology of the Muir Woods area that could make legal action unnecessary.

Thank you for your consideration.
