I appreciate you crafting a letter for the final. For reference, here's the letter we printed in the draft GMP. We translated it in Spanish, Chinese and Filipino.

Approximate deadline is end of July. Meanwhile, we will ask DSC to hold 1-2 pages for the letter. Let me know if that won't work for you.

Nancy and I are working with the Conservancy to design a summary document (field-guide for managers). I'll share with you anything that comes up in those discussion that might be helpful to you.

Please let me know if I can help move this along.

Brian
