Thanks Nancy. 4p today sounds like it works for everyone.

Might be good to also invite Darren to call in, so we can touch base re: materials and timeline to send the info that Chris Carr requested on Muir Woods.

Lori, can you send an invite? Thanks!

Brian has a redraft of the ROD circulating for comments including from Barbara Goodyear.

Meanwhile, organizing the meeting with those that RD wants to meet with is an important next step. Let's talk today if there's a good time about who will coordinate, who will be invited, meeting content and date.
