Subject: At Mojave National Preserve Re: Concern about GMP
Date: Wednesday, February 11, 2015 9:06:12 PM

I am out of the office at a meeting of our Mojave Network superintendents. I will be checking email and voicemail as I can. If you need something before I return, call Ceci Alonzo at 415.623.2107 and she can connect you with the appropriate person to assist you.
