---

Hi Frank, Mike, and Howard,

Here is the latest version of the Annual Report. I see this as the penultimate attempt, and it is your feedback and comments--as well as Frank's intro--that will allow me to bring it into its final form.

Please send me any input before next Wednesday, 7/30. After that time I will need to move into the design stage and it will be very hard to make further content changes from there (though you will still have a chance to review the layout).

Mike, I will also see you on Friday to discuss.

Thank you!

Molly
