Stephanie, sorry to get this to you later than planned today. (b)(6) Craig.

April, here's the FINAL DRAFT of the Dog Proposed Rule Communications Plan for sharing with the folks on the briefing call tomorrow.. Chris suggested the inclusion of some Key Talking Points that are an easier read than the more detailed talking points that follow them. We think this may assuage some of the concerns about previous versions. Looking forward to the call. Howard

Howard,

I just spoke to Craig (b)(6) neither of us will be around much longer. We're both packing up for the day. So, you'd better send your comms package to all of us and WASO. We won't be able to provide regional review given the timeline, but want to ensure WASO has it in time for tomorrow's briefings. Hopefully, we'll also get a call-in number!

Best,
