Frank, Barbara, Mike, Michael, Brian and Nancy:

Attached is a consolidation of the FEIS clarifications (b)(5)

This version is intended to be concise and readable, yet complete.

I'm not sure exactly sure where or how this get plugged into the body of the current Draft ROD, but suggest it may fit best at the end of the DECISION (SELECTED ACTION) section.

Comments ASAP. Finished product needed by noon on Mon, June 16.

Thanks, all.

Howard
