Hi Howard, Frank and Brian,

Happy new year!

Thank you again for taking the time to meet with us in December, and we really appreciate the ongoing communication and dialogue. Sorry it's taking us a minute to get you our specifics, but people have been away during the holidays and Save Our Recreation hasn't had a chance yet to discuss this as a group. We will be having a meeting at the end of this week, so I'll be able to get you something at the beginning of next week.

Thanks for your consideration,

Andrea

Dear Frank, Howard and Brian,

Thank you very much for taking the time to meet with us last week. We really appreciate you listening to our concerns and offering to clarify your perspective on the General Management Plan.

I've attached the document we referred to during the meeting that compares the 1980 GMP with the new proposed GMP. The points in the document are not our specific asks, but I hope they help clarify our perspective on some of the topics we discussed when we met.

Samir and I will get back to you right after the holidays with the specifics you've requested. Thank you again for meeting with us and enjoy the holidays.

All the best,

Andrea Buffa

Hi Andrea: Nice to meet with you and Samir yesterday. As we said at the meeting, it would be helpful to us if you can send us the specific sentences or sections you find troubling. Then we can see if there is a way to clarify those sentences or sections. Please let us know ASAP. Happy Holidays. Howard
