Hi Martha:

Sorry for the delay in responding - crazy busy past few weeks.

Re the FOIA: I am assembling materials, and will send you what I can this week. Because the work done to date on the Crissy Refresh has been info gathering, and we don't have a specific project, we have to consult with the PWRO FOIA folks on what we can and cannot release. It may be that much of it will be considered deliberative, and therefore not able to be released.

Re the GMP: Still awaiting signature by the Regional Director.
