Thanks Kerri. Brian is out til Monday. We have a conf call scheduled for Monday at 10 am with the solicitor about the ROD. I will add you to the invitation if you would like to participate. We will discuss clarification language to address concerns raised about the Dog Management Plan and speculation about a parking lot on Panoramic Highway to serve Muir Woods (not in the plan, but we will state this in the ROD), and how to address comments we heard during the 30 day no action period.

Hi Nancy,

Thanks for this note and heads up. Tom's been on travel the past week and will be out for another week. Is this something we need to address sooner than his return (week of August 23rd). If so, let me know and Sarah and I can coordinate a call with you and Brian to work on next steps.

Thanks!

Kerri
