Comments on ALCA are coming. We have a lot of comments btwn Carolyn and me. I have been immersed in a couple of other things and just need to put some finishing touches on my comments and I will send them to Brian.

It says:

Sec. 1506.1 Limitations on actions during NEPA process.

(a) Until an agency issues a record of decision as provided in Sec. 1505.2 (except as provided in paragraph (c) of this section), no action concerning the proposal shall be taken which would:

1. Have an adverse environmental impact; or
2. Limit the choice of reasonable alternatives.

Hi Barbara,

We needed your guidance on our GMP ROD: when the RD signs the ROD, there is a lag with Federal Register publication/notice. Is the document still not final until the notice is published? Or is it final upon signature?

Also, can you look at Alcatraz Embarcation DEIS (admin draft) for any red flags? Brian can guide us here on any questions he might have for you to focus on.

Thanks,

Frank
