Hi Karen,

Can you please contact Frank Dean and ask him to follow up? You can let Ms. Buffa know that I am on "personal leave" for the time being, and she can work with the Superintendent.

Frank and I have talked about the need to develop a strategy as this ramps up, but we won't really be able to do that until early June. For now, all requests should be forwarded to him. We may interject an "intermediate" elevation role for Martha, but we haven't formulated that yet.

Thanks much.

Chris, I received a message from Andrea Buffa requesting a meeting with you on behalf of various dog advocacy groups. Ms. Buffa says the meeting is time sensitive as they would like to meet with you before you sign the GMP on Dog Walking.

How would you like me to proceed?

Karen

Dear Chris,

I'm following up on a voicemail message I left you this morning.

On behalf of several San Francisco dog advocacy groups, I'm writing to urgently request a meeting with you about the Golden Gate National Recreation Area General Management Plan and Dog Management Plan.

I hope you can find time to meet with us and hear our concerns before you sign off on the General Management Plan or the Interim Rule on Commercial Dog Walking.

I'm sure you know that these changes at the GGNRA are going to significantly impact the residents of San Francisco, Marin and San Mateo counties. We are particularly concerned about the impacts on city parks, small businesses, recreational access and social communities that have formed at GGNRA sites such as Fort Funston.

We hope to meet with you as soon as possible to discuss these issues

and can make ourselves available at any time.

Thanks for your consideration,

Andrea Buffa, San Francisco Dog Owners Group, (b)(6)
