Hi Sally.

Leave it to me to say call anytime and then not turn on my ringer. Sorry again.

Sorry, you drove all the way to Fort Mason and we did not have our documents yet. I was checking with my coworkers about availability of the book by Monday. We hope to get the shipment that day since it sounds like we did not get it in time for you today. I will check in and make sure we have one for you before you get there. I am off This Monday, but between Howard and me we will make sure to get one to the front desk with your name on it.

Thanks Sally.

Alex
