Hi Nancy, Brian, Steve:

I can be available for a short call from:

- 11 to 11:30 am Mountain / 10 to 10:30 Pacific *OR*
- anytime from 2 to 4 Mountain / 1 to 3 Pacific

Nancy, please pick a time and I will take part. We can use this call-in line: 888-453-8759; (b) (5)

Ray, if possible, I would like you to join the call because I know you have discussed this topic with Paul Wharry already. Also, it wouldn't be a bad idea to dig up any relevant guidance in the sourcebook. Please drop by and I can show you what I mean.

Thanks, everyone.
Tom

Hi All - I am re-sending this, hoping to have a conversation to be sure we are doing the correct thing in the ROD re: comments. and requesting a follow up response.

How about a conf call tomorrow morning?
