Dear Ms. Lehnertz (and Ms. Washington),

I am a life-long resident, tax payer and dog owner of the SF Bay Area. I have walked my dog responsibly for over 50 years at Crissy Field without incident.

Please HOLD OFF signing the General Management Plan (GMP). The GGNRA is an URBAN RECREATION AREA. Take the GMP off of the table and re-open the document to everyone and merge the GMP with the Dog Management Plan. We do not want the GGNRA to predetermine where dog walking access can occur without due public process. These are public lands and the GGNRA and the National Park Service need to listen to us, the public. The entire community should have the opportunity to participate in this important decision.

Thank you.

Sincerely,  
Shelley Sweet
