Thanks, Stephanie, Craig, and Barbara for these excellent comments - they greatly strengthen the plan.

Attached is a reconciled version of the plan in which I accepted nearly all of the edits and suggestions you made. It would be good if we could chat to reconcile the few remaining comments you provided and that remain highlighted in this version of the plan. Are you avail to talk this afternoon?

Again, thanks for the close read and great suggestions.

Howard,

Attached are the PWR and DOI Solicitor comments on your first draft (in track changes on your draft). I was delayed in my return from Europe but prioritized this high on the list since I know that you all are eager to move forward. Once you've had a chance to update based on our feedback, please send back through us again for another look. We'll plan to have the Acting RD take a look at that point in time. If you have questions on any of our comments, please let us know.

Best,

Stephanie

Hi Stephanie and Craig:

Attached is our final Communications Plan on the Draft Rule for Dog Management at GOGA. It reflects the input of a multidisciplinary team here in the park, as well as input from our lead at EQD, informed by many discussions with the Solicitor's Office and the Rules Office. Chris endorses this plan.

Please share with the Solicitor's Office and others to expedite review. Let us know if you

need anything more at this stage.

Thank you.
