Carolyn,

Welcome back home. Chuck Plummer will be sending you a link to the full PDF version of the Draft ROD that includes the fully executed Floodplain SOF and Programmatic Agreement. I'm attaching the WORD version which could be easier to edit.

Once you get settled, I hope we can talk about 3 meetings:

(b)(5)

A large rectangular area of the email body is redacted with a solid grey block. The redaction covers several lines of text, starting from the line "(b)(5)" and extending down to the line "We sure appreciate your help."

We sure appreciate your help.

Brian

Frank,

I have the GMP ROD, including the signed appendices (Floodplain SOF and PA), ready for Barbara Goodyear's review at her earliest convenience. It's a 19mb file, too large to email, so it will live on the Planning server -- O:\Divisions\Planning\GMP\ROD. Hard copy is on your desk.

Please let me know if I should send this to Barbara now or after she returns. I hope her comments will be minor and we can address them quickly. Then move this forward for RD signature and release when the time is right.

Thanks.
