I talked to Rene Buehl, who said the group had done this once before. There were no real issues or problems associated with the last go round.

FYI- Just heard the Save our Recreation (actually dog activists) group planned to have a protest in front of 333 Bush Street about the GOGA GMP and how it covers the dog issue (it does not) and the anticipated ROD signing by the regional director. It was planned for 0830-10 AM, but may be called off due to weather.

Call me if you need to discuss anything.
