Hi Frank,

We should talk about a strategy since it looks like this is about to ramp up.

Thanks

Chris

**Subject:** Hi Chris. Time sensitive request for a meeting about the GGNRA.

Dear Chris,

I'm following up on a voicemail message I left you this morning.

On behalf of several San Francisco dog advocacy groups, I'm writing to urgently request a meeting with you about the Golden Gate National Recreation Area General Management Plan and Dog Management Plan.

I hope you can find time to meet with us and hear our concerns before you sign off on the General Management Plan or the Interim Rule on Commercial Dog Walking.

I'm sure you know that these changes at the GGNRA are going to significantly impact the residents of San Francisco, Marin and San Mateo counties. We are particularly concerned about the impacts on city parks, small businesses, recreational access and social communities that have formed at GGNRA sites such as Fort Funston.

We hope to meet with you as soon as possible to discuss these issues and can make ourselves available at any time.

Thanks for your consideration,

Andrea Buffa, San Francisco Dog Owners Group, (b)(6)
