Dear All,

I would like to schedule our next meeting after the revised submittals re: the Sports Basement site reuse come in on January 17 and are posted on the Trust's website. If possible, the meeting would take place before the Trust's public board meeting on January 27. It will be part of this agenda as a chance to ask questions, not a lobbying session.

The best time frame is in the narrow window of 4 days from 1/21 - 1/24.

Here are the agenda items that have been suggested in addition to the above:

A discussion of soil issues regarding Doyle Drive (Michael Boland)

Protection of the Franciscan manzanita (Michael Boland, Brent Plater)

Overview of new GGNRA General Management Plan (Nancy Hornor)

Dog management update: reminder to send in comments (GGNRA – continuation of work of Shirwin Smith, now retired)

The future of the People for the Parks/Presidio group (a call for a committee)

A new Presidio newsletter: "The Presidian" and announcement of "A New Way to Visit the Presidio on Weekends" (Michael Boland)

Please let me know what date you prefer.

Thank you,  
Amy
