For all other locations or group sizes, a permit is required and can be obtained through the Commercial Services Office.

Roads Closed to All Motorized and All Mechanized Travel:

North Rim District Road Closures:

Tuweep and Western Canyons

Motorized and mechanized travel is only permitted west of Kanab Creek to the western park boundary (both sides of the river), on Kanab Point, SB Point, 150 Mile Canyon, Tuckup Canyon, and Toroweap Roads.

All other motorized and mechanized travel west of Kanab Creek to the western park boundary, including, but not limited to, the Grand Wash Cliffs, Sanup Plateau, Toroweap Valley, and Kanab Plateau areas, is prohibited.

DELETED:

Fishing Permits: All individuals fishing within the interior boundaries of Grand Canyon National Park must have a current, valid general fishing license or nonresident permit from the Arizona Game and Fish Department and are subject to following the most recent Arizona State fishing regulations. 36 CFR § 1.6 (a), 2.3

(The Superintendent has determined that these use prohibitions and restrictions are necessary for public safety and resource protection and to assist in fisheries management.)

This entry in the compendium was removed per Secretarial Order 3447 issued by the Department of Interior because it is a restatement of state law.
