## Weekly List 2022 01 07

WEEKLY LIST OF ACTIONS TAKEN ON PROPERTIES: 1/3/2022 THROUGH  
1/7/2022

### ADDITIONAL OWNER OBJECTION GUIDANCE AVAILABLE

In response to questions received from our preservation partners, NPS has prepared a fact sheet and sample language to supplement the recent Keeper Letter that identified an alternative to the notarized owner objection process for objecting to listing or

designation of a property. These materials can be found on the National Register of Historic Places (<https://www.nps.gov/subjects/nationalregister/index.htm>) and National Historic Landmarks Program (<https://www.nps.gov/subjects/nationalhistoriclandmarks/nhls-in-the-news.htm>) websites.

Any questions regarding either the content of the Keeper's 11/12/2021 letter or these supplemental items should be directed to the Keeper of the National Register ([joy\\_beasley@nps.gov](mailto:joy_beasley@nps.gov)) or Deputy Keeper ([sherry\\_frear@nps.gov](mailto:sherry_frear@nps.gov)).

**ATTENTION—IMPORTANT UPDATE\*\***

Effective (4/10/20), the National Register program launched an electronic-only submission process for the duration of the COVID-19 situation while our staff and the staff of our preservation partners engage in extended telework operations. Instructions for (1) the organization of submissions and (2) how to access and upload submissions via the designated FTP site were distributed to recipients of this distribution list and posted on the National Register Website landing page at <https://www.nps.gov/subjects/nationalregister/index.htm>
