Thomas Leatherman, Superintendent

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations ("36 CFR"), Chapter 1, Parts 1-7, authorized by Title 54 United States Code, Section 100751, the following provisions apply to all lands and waters administered by the National Park Service, within the boundaries of Pearl Harbor National Memorial. Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

Written determinations, which explain the reasoning behind the Superintendent's use of discretionary authority, as required by Section 1.5(c), appear in this document identified by italicized print.

I. 36 CFR §1.5 – VISITING HOURS, PUBLIC USE LIMITS, CLOSURES, AND AREA DESIGNATIONS FOR SPECIFIC USE OR ACTIVITIES

(a)(1) The following visiting hours and public use limits are established for all or for the listed portions of the park, and the following closures are established for all or a portion of the park to all public use or to a certain use or activity:

Visiting Hours:

- The Pearl Harbor Visitor Center and adjacent Halawa Lawn is open from 7:00 a.m. to 5:00 p.m. every day except Thanksgiving Day, Christmas Day, and New Year's Day (when they are closed).
- The parking lots at Pearl Harbor National Memorial are open from 6:00 a.m. to 5:30 p.m. every day except Thanksgiving Day, Christmas Day, and New Year's Day (when they are closed).
- The USS *Arizona* Memorial is open from 7:30 a.m. to 4:00 p.m. dependent upon transportation available through the US Navy.

Pearl Harbor Visitor Center hours and USS Arizona Memorial hours of operation are based upon the combination of National Park Service and Navy personnel availability. Water transportation between the Pearl Harbor Visitor Center and the USS Arizona Memorial is based on safe watercraft conditions and shuttle boat availability. Access via the harbor is controlled by the Navy.

- The USS *Oklahoma* Memorial is closed sunset to sunrise.
- The USS *Utah* Memorial is closed sunset to sunrise.
- The Chief Petty Officer Bungalow buildings are not open to the public. The Belleau Lawn is closed sunset to sunrise.

The Ford Island areas of the National Memorial are open to visitors with base access during daylight hours. Artificial lighting to allow safe walking through these areas after dark is not part of the infrastructure of these facilities and the lack of lighting creates a hazardous condition to the public

Public Use Limits:

USS Arizona Memorial

- The USS *Arizona* Memorial is limited to 300 people at any given time.
- Food and beverages other than clear water are prohibited on the USS *Arizona* Memorial and inside the Pearl Harbor Memorial Theater.

Eating or drinking on the USS Arizona Memorial negatively impacts the atmosphere of contemplation and reflection. Water is allowed to ensure that visitors needing hydration are not adversely impacted. There are no trash receptacles for visitor rubbish disposal on the USS Arizona Memorial.

- The following restrictions are in effect for any person accessing the USS *Arizona* Memorial during visiting hours:
 - Each person accessing the USS *Arizona* Memorial must have a reservation ticket obtained via recreation.gov for entry.
 - Reservation tickets are valid for tour date and time printed on the ticket and must be validated by Park Rangers for use.
 - The time on the ticket is the tour departure time. Late arrivals will not be able to be accommodated.
 - Reservation tickets are single use.
 - Up to 145 reservation tickets will be issued per tour time.
 - Sale, duplication, or transfer of reservation tickets is prohibited.
 - Ticket reservations may not be made by commercial operators or agencies except as provided under the terms of a Commercial Use Authorization with the park.
 - Reservations may be canceled or modified due to mechanical issues, high winds, or other safety concerns.
 - In the event that the tour time is not filled to capacity by validated reservations, Rangers may backfill the remaining space with visitors without reservations, at their discretion. Non-ticketed access is not guaranteed.
 - Reservations are not required for Navy-escorted visitors to the USS *Arizona* Memorial when arranged by the Navy outside of publicly accessible boats as provided for in the Operational Agreement with the National Park Service and subsequent agreed procedures.

These restrictions are necessary for the safety of visitors, the protection of the memorial, and for the preservation of the visitor experience. The memorial is a limited space and cannot safely accommodate the entirety of the park visitation. Visitation is also restricted by access via Navy vessel and vessel carrying capacity, as no land route to the memorial is available.

- Access to the Memorial by privately owned vessel is prohibited.

Pearl Harbor is a Naval Defense Sea Area and is closed to the public under 32 CFR 761.

Pearl Harbor Visitor Center

Physical Security Use Limitations:

- Visitors, employees, partners, concessioners, and vendors may be required to submit to security screening by NPS employees for the purpose of deterring or detecting explosives, weapons, and other prohibited items. Refusal to submit to security screening is grounds to refuse entry to the Pearl Harbor Visitor Center. The public will be notified of the need for screening by the presence of a security screening checkpoint and signage.
- The following items are prohibited entry into the visitor center complex:
 - Explosives, explosive devices, or components of an explosive device or system;
 - Chemical or biological agents, including mace, pepper spray, or other propellants.
 - Guns or other items that shoot projectiles (including toys, tasers, and stun guns);
 - Knives, including pocket knives and multitools:

- Other edged weapons such as, but not limited to sabers, bayonets, swords, daggers and machetes;
 - Weapons, as defined by 36 CFR 1.4(a) and including those illegal under Hawaii State and local law;
 - Other items determined by security staff to be potential weapons may be prohibited/refused entry;
 - Bags, packages, or containers larger than 1.5" x 2.25" x 5.5" that offer concealment for weapons and/or explosives;
 - Glass containers other than baby food jars;
 - Musical instruments and cases not related to a permit;
 - Recreation or sports equipment to include, but not limited to, skateboards, skate shoes, Frisbees and balls;
 - Flowers in pots, vases or containers;
 - Aerosol containers;
 - Flags, signs, or banners on posts or poles not related to a permit; and
 - Wreaths and wreath stands not related to a permit.*
- Mobility devices including wheelchairs and strollers will be physically and/or visually inspected.
 - Persons may be scanned using a magnetometer device prior to entering the Pearl Harbor Visitor Center. The public will be provided notice of the use of a magnetometer by signage.
 - Visitors that are permitted to enter with an item that has been inspected and tagged per policy will keep the package, bag or container on their persons and in their possession at all times.
 - Only empty strollers and wheelchairs may be left at the front entrance porch of the Pearl Harbor Memorial Theater for the duration of the program attendance to the USS *Arizona* Memorial.
 - The National Park Service is not responsible for providing safe storage of any prohibited item.

* Specific prohibited items are found in the Security Checkpoint SOP updated regularly by the Chief Ranger.

Security measures including CCTV provide for the protection of facilities, people, and irreplaceable objects held in national trust. Pearl Harbor remains a location of political and emotional import, and represents a viable target for crime and terrorism. Additionally, the security measures fulfill the terms of an agreement with the US Navy, to whose facilities visitors may access without military identification from park boundaries.

- Food and beverages other than water are prohibited in the theaters and in the exhibit galleries.
- Food and non-water beverages spilled or left in the theater and exhibit galleries attract insects and other pests—negatively impacting both National Park Service facilities as well as cultural resources.*

Parking Lots and Roadways

- In addition to the other terms set forth in this compendium, the following definitions shall apply to the terms found herein:
 - Commercial Transportation Service: Conveyance of visitors via motor vehicle into and/or out of any area administered by the National Memorial for a direct or indirect fee and, except for on-board interpretive services, no other services are provided.
 - Commercial Vehicle: Vehicles to include, but not be limited to trucks, station wagons, pickups, passenger cars or other vehicles when used in transporting movable property for a fee or profit, either as a direct charge to another person, or otherwise, or used as an incident to providing services to another person, or used in connection with any business.

- Commercial Use Authorization (CUA): A form of written authorization issued by the Superintendent under which persons are allowed to provide commercial services to park visitors.
- Motor Vehicles used for commercial transportation services to areas administered by the National Memorial are considered commercial passenger-carrying motor vehicles and are subject to a Commercial Use Authorization or Special Use Permit issued by the Superintendent. Specific types of motor vehicles subject to this authorization include but are not limited to sedans, SUVs, minivans, vans, mini-buses, motor coaches and limousines used for commercial transportation services. Operation of these vehicles is limited to the commercial vehicle parking lot, designated roadways, and commercial unloading zone as designated in the terms of the assigned permit.
- The following exceptions apply in which operators may use public roads within NPS areas without a CUA: licensed taxis (metered vehicles), school buses supporting educational programs in NPS areas, vehicles operated by non-profit organizations supporting programs in NPS areas, delivery, vendor or contractor vehicles and TheBus. NOTE: Non-profit organizations may be subject to CUA requirements if the activity on site generates taxable income.

The parking lots and access roads have been designed with the intent of segregating different types of vehicles into different zones. This segregation promotes safety for visitors and reduces wear on pavement. Commercial Transportation Services reduce personal vehicle use and reduce overall parking space requirements.

COVID-19

- The following activities are restricted in Pearl Harbor National Memorial effective March 5, 2022, until further notice:
 - When the COVID-19 Community Level is LOW or MEDIUM in the county or all the counties where the park is located based on data provided by the Centers for Disease Control and Prevention (CDC), individuals are not required to wear masks.
 - When the COVID-19 Community Level is HIGH in the county, based on data provided by the CDC, all individuals over the age of two must wear masks, regardless of vaccination status, in all common areas and shared workspaces in buildings owned, leased, or otherwise controlled by the National Park Service, including, but not limited to, park visitor centers, administrative offices, lodges, gift shops and restaurants. In addition, outside areas where masks are required will include: The lanai behind the Education and Research Center; the Bell Court, the lanai of the Pearl Harbor Memorial Theater, and the USS Arizona Memorial.
 - Masks must cover the nose and mouth and fit snugly around the nose and chin with no large gaps around the sides of the face. Masks not designed to be protective, masks with ventilation valves, and face shields do not meet the requirement.
- Regardless of the COVID-19 Community Level, individuals may wear masks if they choose to do so. Where a state, local, tribal, or territorial government impose more protective mask-wearing requirements than those indicated by the COVID-19 Community Level, individuals must follow those more protective requirements within the park. More protective state, local, tribal, or territorial mask-wearing requirements are hereby adopted as federal requirements in all units of the National Park System located within that state, locality, area subject to a federally recognized Indian tribe's regulatory jurisdiction, or territory, regardless of a particular park's jurisdictional status.
- Additionally, all individuals must wear masks in or on public transportation conveyances and transportation hubs/facilities, to the extent required by current orders or directives issued by the CDC, the Transportation Security Administration (TSA), or other federal agencies with jurisdiction

over those conveyances or areas. As of March 4, 2022, CDC and TSA orders or directives require all individuals regardless of vaccination status to wear masks in indoor areas of all forms of public transportation conveyances, including busses, trains, and boats/ferries, and in the indoor premises of transportation hubs/facilities. Individuals are not required to wear masks while outdoors on conveyances or while outdoors on the premises of transportation hubs/ facilities.

- Notice: This administrative order applies to all individuals subject to the regulatory authority of the National Park Service (NPS) within the boundaries of Pearl Harbor National Memorial, including park visitors, government employees, concession employees, park residents and stakeholders.
- This order is effective March 5, 2022, supplanting Administrative Order 21-0001, and will remain in effect until further notice. The effectiveness of this order will be assessed on an ongoing basis, and the order will be modified or rescinded when conditions warrant

Closures:

- The six structures that make up the three mooring quays known as Battleship Row within the National Monument are closed to the public.
The mooring quays do not have regular visitor water transportation, do not have safe visitor access, and are not safe for visitor use.
- The shoreside dock at the theaters and the USS *Arizona* Memorial floating dock are closed to the public when shuttle boats are not loading or unloading passengers.
The docks are areas with marine safety hazards that are only designed for loading and unloading of boats and not for any other visitation experience.
- The USS *Arizona* Memorial is closed to visitation outside of regularly scheduled, park-sponsored tours, except as provided for in the terms of an agreement with the US Navy.
The NPS is unable to provide protection for the resource or emergency services for visitors outside of normal business operations.
- The USS *Arizona* anchor is closed to climbing or sitting on the anchor and chain.
Climbing and/or sitting on the ship's anchor is hazardous for visitors as they may readily fall off or injure themselves on this equipment.
- All areas of the park are closed to fishing, camping, wading and swimming.
- The following areas are closed to picnicking: the USS *Utah* Memorial, the USS *Arizona* Memorial and the USS *Oklahoma* Memorial, and adjacent lawn areas around the CPO Bungalows.
Recreational activities in the vicinity of memorials to war dead are distracting to visitors and detract from the intent of creating a place of honor, respect and contemplation.
- All shoreline areas immediately adjacent to the water of Pearl Harbor and Halawa stream are closed to the public.
Shoreline areas are lined with riprap, an eroding shoreline, and/or slippery and unstable material presenting a visitor and employee safety hazards.
- Personal property may not be left unattended. Abandoned property will be confiscated.
- The Superintendent reserves the right to implement various levels of security measures and closures in response to threats to person or property and to threats national security. Measures may include prohibiting certain activities or items and prohibiting entry to certain areas within the National Monument.
The National Park Service and the US Navy cooperate in determining appropriate levels of security within the Joint Base Pearl Harbor-Hickam (JBPHH) area which surrounds all parts of

the national monument. Visitors entering through the Paarl Harbor Visitor Center are allowed controlled access within high security areas of JBPHH. These closures are measures to ensure that public access can occur in a manner that facilitates changing security measures as well as visitor experience.

- The Belleau Woods Loop Road (see map C) is closed to public vehicle use and is for administrative use only.

The Belleau Woods Loop Road is not maintained in a manner to ensure safe public vehicle use. Parking on the grass lawn adjacent to this road has caused damage to the lawn.

- The Pearl Harbor Visitor Center Service Road and Ford Island Shuttle Turn-Around Road (see map A) is closed to public vehicle use and for administrative or authorized use only.
- The Maintenance Building Lot (see map A) is closed to the public and for administrative use only.

The Pearl Harbor Visitor Center service road and Maintenance Building lot are solely for activities that support administrative operations of the National Park Service and its partners.

- The theaters and the museum exhibit galleries are closed to the consumption of food and beverages other than water.

Food and non-water beverages spilled or left in the theater and exhibit galleries attract insects and other pests negatively impacting both NPS facilities and cultural resources.

- National Memorial administrative, maintenance, storage and park partner facilities, including, but not limited to, access roads, outbuildings and grounds are closed to the general public. This closure will not apply to persons engaged in legitimate government activities or permitted business activities.
- All fenced and/or gated areas are closed to the public.
- Except for facilities designated for visitor use, all buildings are closed to unauthorized entry. This shall not apply to persons in non-public areas who are granted specific permission by the National Park Service, another authorized Federal Agency, park partners, their representatives and guests, contractors and those escorted by a National Park Service staff member.
- All buildings and fenced areas used for storage, treatment or transmission of electricity, gas, telephone, waste disposal, and domestic water are closed to the public, unless escorted by a National Park Service staff member.

The National Park Service must ensure the security of its facilities and operation and to protect the public from potentially dangerous areas within the National Monument.

- The USS West Virginia and USS Tennessee Marker lawn.

A short chain link fence separates visitors from the USS West Virginia and USS Tennessee Marker due to a steep drop off from an eroding bank surrounding the marker. The area behind the fence is closed to the public due to a safety hazard.

- Sidewalks and administrative roads are closed to all bicycle and electric bicycle use.

Heavy pedestrian traffic prevents the safe use of bicycles on park sidewalks, and administrative roads within the Memorial are closed to public use under this section.

- Commercial Parking Lot, the U-Drive, and The Ford Island Shuttle Turn-Around Road are closed to bicycle use.

These areas are limited to designated vehicles under a permit or other agreement only as noted below.

- All or part of Pearl Harbor National Memorial may be closed due to an increased threat level or specific security incident at Joint Base Pearl Harbor-Hickam.

These closures are necessary when a condition is declared of a high risk of terrorist attacks or a similar national security risk. Visitor access restrictions will remain in effect or may be enhanced under additional threat conditions. The closures will be rescinded when threat levels are reduced to a safe level.

- Launching, landing or operating an unmanned aircraft from or on lands administered by the National Park Service within the boundaries of the Memorial is prohibited except as approved in writing by the superintendent.
 - Definition: The term "unmanned aircraft" means a device that is used or intended to be used for flight in the air without the possibility of direct human intervention from within or on the device and the associated operational elements and components that are required for the pilot or system operator in command to operate or control the device (such as cameras, sensors communication links). This term includes all types of devices that meet this definition (e.g., model airplanes, quad-copters, drones) that are used for any purpose, including for recreation or commerce.

Pearl Harbor National Memorial exists within Federal Aviation Administration (FAA) restricted airspace due to national security reasons. Drone overflights are prohibited by the FAA and the Department of Defense over all park land.

(a)(2) The following areas have been designated for a specific use or activity, under the conditions and/or restrictions as noted:

Pearl Harbor Visitor Center Commercial Vehicle Parking Lot (see map A):

- Permitted commercial vehicles such as buses, vans, and limousines must park in the Pearl Harbor Visitor Center commercial vehicle parking lot.
- Taxis may only operate within the designated taxi lane.
- Parking, stopping, "standing", loading or unloading in areas marked with red curbs or in areas signed 'No Parking' is prohibited.
- Unauthorized passenger vehicles are prohibited in the commercial vehicle parking lot.

These conditions are established to ensure safe vehicle and pedestrian circulation, and to efficiently manage parking in a limited space.

Pearl Harbor Visitor Center Visitor Parking Lots (see map A):

- Pearl Harbor Visitor Center visitor parking lots are reserved for passenger cars of visitors to the National Memorial.
- Taxis, rideshare vehicles (also known as "transportation network companies") and commercial vehicles such as buses, vans and limousines are prohibited from entering, unloading, loading or parking in Pearl Harbor Visitor Center visitor parking lots.

The Pearl Harbor Visitor Center parking lots are limited and often full. The parking areas are not designed to accommodate oversized commercial vehicles and create driving and pedestrian hazards when commercial vehicles attempt to use them. Separate parking and loading areas are available for taxis and commercial vehicles.

Pearl Harbor Visitor Center Commercial Vehicle Unloading Zones (see map A):

- Commercial buses, vans and limousines will unload their passengers in the Pearl Harbor Visitor Center commercial vehicle parking lot.
- Operators may unload ADA passengers along the yellow curb across from the commercial vehicle parking lot. This zone is restricted to unloading passengers only.
- Commercial vehicles are prohibited from loading passengers in the unloading zone.

- Commercial vehicles are prohibited from parking in the unloading zone.
- Commercial vehicles left unattended in the unloading zone are prohibited.

This determination is necessary to ensure that the flow of traffic along the commercial vehicle parking lot and adjacent roadway is safe and orderly and to help to prevent traffic accidents.

Passenger Loading Areas for Commercial Vehicles:

- Commercial buses, vans and limousines will load their passengers in the Pearl Harbor Visitor Center commercial vehicle parking lot only.

This determination is necessary to reduce congestion in the commercial vehicle parking lot and along adjacent roadways and enhance visitor safety.

Authorized Vehicle Parking (see maps A&E):

- A pull in parking area along Halawa Stream is available only for permitted and authorized vehicles.
- A Ford Island turn around parking area is located immediately adjacent to the USS Bowfin for permitted and authorized vehicles only.
- Restricted parking is restricted to Pearl Harbor Survivors (PHS), Government vehicles, or authorized placarded vehicles.

Parking lots are crowded year round. A reserved parking area for some staff and official visitors will allow them to park without taking up visitor parking spaces.

Taxi Route and Taxi Loading/Unloading Zone (see map E):

- Taxis are only allowed in the National Memorial when picking up or dropping off passengers.
- A designated lane in the commercial vehicle parking lot has been established as the designated Taxi Loading/Unloading Zone. Taxis are prohibited from all other areas of the commercial vehicle parking lot, all visitor parking lots, and the U-Drive.
- The lane is designated for one way travel; backing out of the lane is prohibited.
- Taxis may stop only in the designated lane. Circling and cruising are prohibited.
- Taxis left unattended in the Taxi Loading/Unloading Zone are prohibited.
- Engines must be turned off when not actively loading or unloading passengers. Entire group must be assembled prior to loading.
- Customers may only be picked up or dropped off at the designated Taxi Loading/Unloading Zone.
- Drivers may not hold space in the taxi queue for other drivers; space in the taxi queue is first come, first serve.
- Drivers must take all fares, except in situations where they are asked to provide transportation to an unsafe location or the passenger poses a potential threat to the driver. Showing favoritism to a higher fare is prohibited. Soliciting business is prohibited in all areas of the National Memorial.
- Taxi drivers are not allowed to obtain a commercial use authorization to engage in business on National Park Service property.
- Taxis are defined as vehicles licensed and issued certification by the City and County of Honolulu using a meter to measure the fee for transportation and marked by sign as required under the Revised Ordinances of Honolulu.

Competition among taxi drivers can be intense. This competition leads to dangerous driving behavior and altercations among taxi drivers over who has the right to pick up passengers. This creates an unsafe and unpleasant environment for visitors, NPS staff, and employees of transportation businesses. A specific area solely for loading

and unloading taxi passengers is designated to restrict the locations of taxi operations and ensure a safe and enjoyable environment for visitors and employees.

Ford Island Shuttle Tum Around Road (see map A):

- The Ford Island Shuttle Tum Around Road is restricted to use by staff traveling to the staff parking area and authorized commercial buses operating to bring visitors from the Pearl Harbor Visitor Center to the Pearl Harbor Historic Sites on Ford Island, Navy-approved security screening of commercial vehicles bringing passengers to Pearl Harbor Historic Sites on Ford Island (under a permit) and commercial vehicle access to the USS Bowfin Submarine Museum and Park (under a permit).
- Visitor vehicles, taxis, and all unauthorized commercial vehicles are prohibited on this road.

The Ford Island Shuttle Tum Around is designed to accommodate authorized commercial vehicles picking up visitors from within the secure areas of the Pearl Harbor Visitor Center and transport them to Pearl Harbor Historic Sites on Ford Island. Access to the USS Bowfin for commercial deliveries is also conducted through this point.

The U-Drive (see map A):

- The U-Drive is reserved solely for TheBus (the public transportation bus owned and operated by the City and County of Honolulu), which is allowed to pick up and drop off passengers.
- Visitor vehicles, taxis, and commercial vehicles are prohibited on this road.

The U-Drive is designed to accommodate TheBus, which runs on a tight schedule and cannot be delayed for more than a few minutes. The U-Drive is marked and signed for sole use by TheBus.

Ford Island Parking Lot (see map C):

- Parking for visitor vehicles to the USS *Oklahoma* Memorial, and the Chief Petty Officer Bungalows, is at the Ford Island parking lot.

The Ford Island parking lot is designed to accommodate visitor parking and can accommodate commercial vehicles carrying visitors.

First Amendment Areas (see map A, C & D):

- First amendment areas are designated as follows to accommodate first amendment activities and limit visitor use conflicts:
 - Flag Court Lawn (25 feet in from sidewalk);
 - Lift Station Lawn (10 feet in from sidewalk);
 - Halawa Lawn (25 feet in from U-Drive Unloading area sidewalk);
 - Belleau Lawn (25 feet by 25 feet across Belleau Wood Loop Road from Building 90); and
- Persons interested in engaging in First Amendment activities may request a map of designated First Amendment areas from NPS staff.
- Groups of up to 25 are encouraged to first obtain a Special Use Permit. First Amendment activities for more than 25 persons and/or in other locations are prohibited except subject to the conditions of an approved Special Use Permit.
- Groups of more than 25 may not divide themselves into more than one group of less than 25 persons to avoid obtaining a special use permit.

Areas have been designated where people who wish to express their first amendment rights may do so without unduly interfering with either pedestrian or vehicle circulation, or other visitors experience.

The following restrictions and/or conditions are in effect for the specific uses or activities noted:

Commercial Vehicle and Taxi Idling:

- Engines must be turned off when not actively loading or unloading passengers.
- Entire group must be assembled prior to loading.
- Ford Island Shuttle buses must be shut down when not actively loading or unloading passengers.
- TheBus is exempt when in-service.

The idling of engines adds unnecessary exhaust fumes to the air and diminishes the enjoyment by visitors of the peace and tranquility of the park. Due to the continuous nature of the service provided by TheBus, it is excluded from the requirement.

Passenger Carrying Buses:

- Engines must be shut down when not underway.
- The ABCNP local shuttle bus vehicles are exempt when in-service.

The idling of bus engines adds unnecessary exhaust fumes to the air and diminishes the enjoyment by visitors of the peace and tranquility of the park. Due to the nature of the service provided by the shuttle buses, they are excluded from the requirement.

Vehicle Operation:

- Parking or stopping outside the designated lanes, on roadways, in areas marked with red curbs, or in areas signed 'No Parking' is prohibited.

Parking at Pearl Harbor National Memorial is space limited, and stopping or standing outside of designated parking and loading zones creates congestion and traffic conflict.

Musical Performances:

- Musical performances by voice or instrument may be conducted in the following areas:
 - On the Lanai of the Education and Research Building;
 - In the Aloha Court (for a quartet or smaller of wood or stringed instruments);
 - In the Flag Court (for a soloist);
 - At the USS Oklahoma Memorial (for a soloist); or
 - At the USS Utah Memorial (for a soloist).
- Musical performances are limited to National Park Service programs that are coordinated with school groups and government-sponsored bands/musicians.
- Special Use Permits for musical performances may be issued when there is a meaningful association between the park area and the event and the event will contribute to visitor understanding of the significance of the park area.

These areas have been designated as areas where musical performances may occur without interfering with either pedestrian or vehicle circulation or visitor experience. Musical performances on the USS Arizona Memorial are restricted due to access. No musical performances may occur in the vicinity of the museum galleries or near the Pearl Harbor Memorial Theater due to sound bleed into these areas.

Glass Bottles/Containers:

- Possession of glass bottles/containers, with the exception of baby food bottles and souvenir items purchased in visitor center bookstores for at-home use/consumption, are prohibited in the following areas:
 - Pearl Harbor Visitor Center
 - Belleau Lawn

The purpose of this regulation is to reduce the amount of injurious trash and to prevent injury to visitors and staff.

Pets: reference §2.15:

- Providing water or food to stray domesticated animals and to wildlife is prohibited.
- Prohibitions or restrictions do not apply to:
 - Emergency search and rescue missions; or
 - Law enforcement patrol or bomb detection dogs; or
 - Service dogs accompanying persons with disabilities per the American with Disabilities Act. (NOTE: Companion animals and emotional support animals are not service animals and have no access rights under federal statute).

Consistent with public health and safety, the protection of natural and cultural resources and avoidance of conflict among visitor use activities, pets must be restricted. It is recognized that many park visitors have pets and they are permitted where they do not jeopardize basic park resources or values. This does not apply to service animals as covered under the Americans with Disabilities Act.

(a)(3) The following restrictions, limits, closures, designations, conditions, or visiting hour restrictions imposed under §§(a)(1) or (2) have been terminated:

- None

II. 36 CFR §1.6 – ACTIVITIES THAT REQUIRE A PERMIT

- §5.1 Advertisements - (Display, posting or distribution.)
- §5.3 Engaging in or soliciting any business (Requires a permit, contract or other written agreement with the United States, or must be pursuant to special regulations).
- §5.5 Commercial Photography/Filming:
 - (a) Commercial filming of motion pictures or television involving the use of professional casts, settings or crews, other than bona fide newsreel or news television
 - (b) Still photography of vehicles, or other articles of commerce or models for the purpose of commercial advertising.
- §5.6(c) Use of commercial vehicles on park area roads (The superintendent shall issue a permit to access private lands within or adjacent to the park when access is otherwise not available)
- §5.7 Construction of buildings, facilities, trails, roads, boat docks, path, structure, etc.
- §6.9(a) Operation of a solid waste disposal site

III. GENERAL REGULATIONS

36 CFR §2.1 – PRESERVATION OF NATURAL, CULTURAL AND ARCHEOLOGICAL RESOURCES

(a)(4) Dead wood on the ground may be collected for use as fuel for campfires within the park in the following areas:

- No areas have been designated

(a)(5) The following conditions are in effect for walking, climbing, entering, ascending or traversing the listed archeological or cultural resource, monuments or statues:

- Walking, climbing, entering, ascending, or traversing any archaeological or cultural resource, monument, or statue is prohibited, except as authorized by permit from the Superintendent.

(c)(1), (c)(2) The following fruits, nuts, berries or unoccupied seashells may be gathered by hand for personal use or consumption, in accordance with the noted size, quantity, collection sites and/or use or consumption restrictions:

- Fruit from the following edible species may be gathered for personal use and consumption without a written permit. Collection can be by any non-mechanical means. No motorized tools may be used for any collection without written authorization from the Superintendent. Extreme care must be exercised in the collection so as not to damage the host plant or surrounding vegetation and to leave some fruit on each plant.
 - Coconuts (Niu/Cocos nucifera)
 - Mango (Manini/Mangifera indica)
 - Breadfruit (Ulu/Artocarpus altilis)
- No tools or tree scaling equipment may be used in collection of fruits listed above. Rocks or other objects may not be thrown nor climbing on walls, fences or any buildings.
- Gathering vegetation for Hawaiian cultural use (Hala/Ulu/Coconut fronds/Plumeria is permissible. The gathering must take place outside of the Pearl Harbor Visitor Center and be for personal use only.

36 CFR §2.2 - WILDLIFE PROTECTION

(d) The transporting of lawfully taken wildlife through the park is permitted under the following conditions and procedures:

- No transport of wildlife is permitted through the park.

(e) The following areas are closed to the viewing of wildlife with the use of an artificial light:

- All areas of the park are closed to viewing wildlife with the use of artificial light. Limited exceptions are given for authorized Resource Management crews engaged in the removal of non-native species or for bona fide activities necessary for park management.

Artificial light interferes with the protection of park wildlife

36 CFR §2.3 – FISHING

(a) The following State fishing laws and/or regulations, as noted, do not apply in the listed areas:

- Fishing for saltwater fish, freshwater fish, or invertebrates is prohibited in all areas of the memorial.

Fish in the waters of Halawa Stream and Pearl Harbor have been determined to be potentially hazardous to life safety by the Department of Health and the EPA, and access to the waters of Pearl Harbor are regulated by the US Navy.

CFR §2.5 – RESEARCH SPECIMENS

Taking plants, fish, wildlife, rocks, or minerals is prohibited except in accordance with 36 CFR chapter 1 or the terms and conditions of a specimen collection permit pursuant to § 2.5(a).

36 CFR §2.10 – CAMPING and FOOD STORAGE

(a) The sites and areas listed below have been designated for camping activities as noted. A permit system has been established for certain campgrounds or camping activities, and conditions for camping and camping activities are in effect as noted:

- Camping and overnight stays are prohibited within all areas of Pearl Harbor National Memorial.

36 CFR §2.11 – PICNICKING

Certain areas have been closed to picnicking and are listed in section 1.5(a)(1) “Closures”.

- Within park buildings and on walkways;
- Aboard the USS *Arizona* Memorial;
- The USS *Utah* Memorial;
- The USS *Oklahoma* Memorial; and
- Adjacent lawn areas around the CPO Bungalows on Ford Island.

Recreational activities in the vicinity of memorials to war dead are distracting to visitors and detract from the intent of creating a place of honor, respect and contemplation, and introduction of food items attracts wildlife or other vermin, potentially impacting park resources.

Conditions for Picnicking:

- Items carried for picnicking into the visitor center must meet the bag policy and security requirements in the Public Use Limits section above.
- Picnicking is prohibited by CUA holders unless specifically approved under the terms of a commercial use authorization.

36 CFR §2.12 – AUDIO DISTURBANCES

The following are prohibited:

(a)(1) Operating motorized equipment, machinery, audio device, or musical instrument in a manner that makes unreasonable noise.

(a)(2) Operating a power saw in developed areas is prohibited, except pursuant to the terms and conditions of a permit.

(a)(3) Operating any type of portable motor or engine, or device powered by a portable motor or engine in non-developed areas is prohibited, except pursuant to the terms and conditions of a permit.

(a)(4) Operating a public address system is prohibited, except in connection with a public gathering or special event for which a permit has been issued pursuant to §§ 2.50 or 2.

36 CFR 2.13 – FIRES

(a)(1) The lighting or maintaining of fires is generally prohibited, except as provided for in the following designated areas and/or receptacles, and under the conditions noted:

Designated Areas:

- No areas have been designated for the lighting or maintaining of fires.

36 CFR §2.14 – SANITATION and REFUSE

(a)(2) The use of government refuse receptacles or facilities for dumping household, commercial or industrial refuse is prohibited.

36 CFR §2.15 – PETS

(a)(1) The following structures and/or areas are closed to the possession of pets:

- The Pearl Harbor Visitor Center
- The USS *Arizona* Memorial
- The USS *Utah* Memorial
- The USS *Oklahoma* Memorial

(a)(3) Pets may be left unattended and tied to an object in the following areas, under the conditions noted:

- Interior of an automobile that has a “pet mode” (example: Tesla’s Dog Mode).
- Leaving a pet unattended and/or tied to an object anywhere else is prohibited.

(a)(5) Pet excrement must be disposed of in accordance with the following conditions:

- All pet waste must be bagged and disposed of in established refuse containers.

36 CFR §2.16 – HORSES and PACK ANIMALS

(b) The use of horses or pack animals is allowed on the following trails, routes or areas:

- All portions of Pearl Harbor National Memorial are closed to the use of horses or pack animals, except working police horses under an applicable General Agreement.

36 CFR §2.17 – AIRCRAFT and AIR DELIVERY

(c)(1) The removal of a downed aircraft, components, or parts thereof is subject to procedures established by the Superintendent through written authorization.

- A permit is required for the removal of any downed aircraft, components, or parts thereof

(d) The use of aircraft shall be in accordance with the regulations of the Federal Aviation Administration (FAA).

Pearl Harbor National Memorial exists within Federal Aviation Administration (FAA) restricted airspace due to national security reasons

36 CFR §2.20 – SKATING, SKATEBOARDS and SIMILAR DEVICES

The use of roller skates, skateboards, roller skis, coasting vehicles, or similar devices are allowed only in the following areas:

- The use of rollerblades, skateboards, roller skis, coasting vehicles, or similar devices are prohibited on any portion of the visitor center complex, walkways, parking lots, Memorial or entrance area.

These conditions have been determined to protect park resources, ensure visitor safety, and prevent conflicts among visitor use activities.

36 CFR §2.21 – SMOKING

(a) The following portions of the park, or all or portions of buildings, structures or facilities are closed to smoking as noted:

- The Pearl Harbor Visitor Center;
- The Flags of Honor Court;
- The USS *Arizona*, USS *Utah*, and USS *Oklahoma* Memorials;
- Within 20 feet of any of the Chief Petty Officer Bungalows;
- Within 20 feet of all government buildings; and
- Within government vehicles.
- Smoking is allowed in parking lots and as designated in employee break areas in the National Memorial (see map A)

These restrictions are consistent with federal law and have been determined to protect park resources, reduce the risk of fire, and prevent conflicts among visitor use activities.

36 CFR §2.22 – PROPERTY

(a)(2) Property may be left unattended for periods longer than 24 hours in the following areas and under the following conditions:

- Property may not be left unattended at any time without prior permission from authorized NPS staff.

36 CFR §2.23 – RECREATION FEES

(b) Recreation fees, and/or a permit, in accordance with 36 CFR part 71, are established for the following entrance fee areas, and/or for the use of the following specialized sites, facilities, equipment or services, or for participation in the following group activity, recreation events or specialized recreation uses:

Entrance Fee Areas:

- Pearl Harbor National Memorial does not charge a fee for entrance to the Memorial or Visitor Center.

36 CFR §2.35 –ALCOHOLIC BEVERAGES and CONTROLLED SUBSTANCES

(a)(3)(i) The following public use areas, portions of public use areas, and/or public facilities within the park are closed to consumption of alcoholic beverages, and/or to the possession of a bottle, can or other receptacle containing an alcoholic beverage that is open, or has been opened, or whose seal has been broken or the contents of which have been partially removed:

- The USS *Arizona*, USS *Utah*, USS *Oklahoma* Memorials;
- Belleau Woods and Lawn;
- Halawa Lawn;
- Flags of Honor Court;
- All roadways and parking lots; and
- The Pearl Harbor Visitor Center.

Given the other uses of these locations and the purposes for which they were established and maintained and established, the consumption of alcoholic beverages is not appropriate. Combining moving vehicles with alcohol consumption carries a high risk for serious bodily

injury or death to the participants of the activity as well as the nonparticipating public. The proximity of these parking areas to nearby sporting arenas and establishments serving alcohol increases their likelihood to be used by event patrons or as potential 'tailgating' opportunities. The prohibition of alcohol use in government buildings is intended to reduce conflict between users and enhance visitor safety and enjoyment. The park sponsors no interpretive event where alcohol is considered a contributive component to the visitor understanding of themes and/or educational elements.

36 CFR §2.37 – NONCOMMERCIAL SOLICITING

Soliciting or demanding gifts, money, goods or services is prohibited except pursuant to the terms and conditions of a permit that has been issued under §2.50, §2.51, or §2.52.

36 CFR §2.38 – EXPLOSIVES

(a) Using, possessing, storing, or transporting explosives, blasting agents or explosive materials is prohibited, except pursuant to the terms and conditions of a permit.

(b) Using or possessing fireworks and firecrackers is prohibited, except pursuant to the terms and conditions of a permit.

36 CFR §2.50 – SPECIAL EVENTS

(a) Special events are allowed, provided there is a meaningful association between the park area and the events, and the observance contributes to visitor understanding of the significance of the park area, and a permit therefore has been issued by the superintendent.

36 CFR §2.51 – DEMONSTRATIONS

(b) Demonstrations of 25 people or less are allowed within the park areas designated as available under (c)(2). Demonstrations of more than 25 people are allowed within designated park areas when the superintendent has issued a permit for the activity.

(c)(2) The following locations are designated as available for demonstrations:

- Flag Court Lawn (25 feet in from sidewalk);
- Lift Station Lawn (10 feet in from sidewalk);
- Halawa Lawn (25 feet in from U-Drive Unloading area sidewalk);
- Belleau Lawn (25 feet by 25 feet across Belleau Wood Loop Road from Building 90)

The above designations are based upon a determination that such locations will not negatively impact park resources, unreasonably interfere with park operations, impair public facility use, create a danger to public health and safety, or unreasonably impair the atmosphere of peace and tranquility maintained in natural resource zones.

36 CFR §2.52 – SALE OR DISTRIBUTION OF PRINTED MATTER

(b) The sale or distribution of printed matter by 25 people or less is allowed within the park areas designated as available under § 2.51(c)(2) (see above). The sale or distribution of printed matter by more than 25 persons is allowed within designated park areas when the superintendent has issued a permit.

Areas designated:

- Flag Court Lawn (25 feet in from sidewalk);
- Lift Station Lawn (10 feet in from sidewalk);

- Halawa Lawn (25 feet in from U-Drive Unloading area sidewalk);
- Belleau Lawn (25 feet by 25 feet across Belleau Wood Loop Road from Building 90)

See attached map for details (Appendix 2)

The above designations are based upon a determination that such locations will not negatively impact park resources, unreasonably interfere with park operations, impair public facility use, create a danger to public health and safety, or unreasonably impair the atmosphere of peace and tranquility maintained in natural resource zones.

36 CFR §2.61 – RESIDING ON FEDERAL LANDS

(a) Residing in park areas, other than on privately owned lands, is prohibited except pursuant to the terms and conditions of a permit, lease, or contract.

36 CFR §2.62 – MEMORIALIZATION

(b) The scattering of human ashes from cremation is prohibited, except pursuant to the terms and conditions of a permit as outlined below:

- The remains to be scattered must have been processed by pulverization after cremation
- The scattering of human ashes by person on the ground is to be performed out of sight of park visitors and at least 50 yds from any trail, road, walkway, parking area, developed facility, watercourse, or body of water.
- The scattering of human remains from the air is prohibited
- Ashes must be scattered over an area large enough so that they will not accumulate in one place.
- No marker of any kind may be left to commemorate the event.
- No publicity is to be given to this activity
- The use of commercial, for profit venture to distribute cremated remains in the park is prohibited.
- Except for the authorization to scatter cremated human remains, nothing in the permit shall be construed as authorizing an entry or activity otherwise prohibited or restricted by law or regulation.

36 CFR §3.21 – SWIMMING AND BATHING

(a)(1) The following areas are closed to swimming and bathing:

- All of Pearl Harbor National Memorial

36 CFR §3.23 – SCUBA AND SNORKELING

(a) SCUBA diving and snorkeling is permitted in the following swimming, docking, and mooring areas under the terms and conditions noted:

- SCUBA diving and snorkeling is only allowed under the terms and conditions of a permit issued by the Superintendent.

36 CFR §4.10 – TRAVEL ON PARK ROADS AND ROUTES

(a) Park roads, open for travel by motor vehicle are those indicated below, and/or as indicated in the following publication or document (attached hereto):

- Electric powered mobility assistance devices (e.g. electric scooters, wheelchairs, Segway devices) for the sole purpose of transporting persons with disabilities are permitted on park roadways and walkways.
- The use of Segways and motorized scooters as a mobility assistance device, as outlined above, must also adhere to the following:

- No person under 16 years of age may operate Segways without adult supervision.
- Mobility assistance devices must be operated in a safe and responsible manner; maximum speed shall not exceed more than 8 mph (Segway Sidewalk/intermediate” key) so as not to endanger one’s self or other park visitors.
- A person riding any mobility assistance device upon or along a sidewalk, while crossing a roadway in a crosswalk, entering or exiting from an elevator, boarding a vessel, or on any other surface shall have the rights and duties applicable to a pedestrian under the same circumstances, except that the mobility assistance device operator must always yield to other pedestrians.
- The Navy shuttle boat to the USS Arizona Memorial is an excepted location: users of any mobility assistance device may only, at the discretion of the Navy personnel, board the shuttle boat if it has been determined whether the safe operation of the vessel can occur without injury to passengers with the mobility device on board.

Mobility impaired persons may opt to use a Segway as a form of locomotion in lieu of traditional forms of wheelchairs or motorized wheelchairs. This is less restrictive to mobility impaired persons and allows them to more fully participate in the park experience.

36 CFR §4.21 – SPEED LIMITS

(b) The following speed limits are established for the routes/roads indicated:

- The maximum speed limit in all parking areas, U Drive, and service roads is 5 mph.

36 CFR §4.30 – BICYCLES

(a) Park roads and parking areas that are closed to bicycle use are listed in section 1.5 of this document.

- Commercial Parking Lot;
- U-Drive; and
- Ford Island Turn Around Road

The following additional routes, in developed areas or special use zones, have been designated for bicycle use:

- Bicycle use is permitted on public roadways, not to include the U-Drive or Ford Island Turnaround Road.
- Bicycle use is permitted in the closed area in section (a) above by law enforcement officers and NPS security guards performing emergency response and patrol operations.
- Bicycles must be secured at the designated racks in the parking area and adjacent to the Flags of Honor Court, and will not be allowed access into the Visitor Center.

(d)(3) Riding a bicycle abreast of another rider is allowed on the following routes:

- None

36 CFR §4.31 – HITCHHIKING

Hitchhiking is permitted in the following areas under the conditions noted:

- Hitchhiking is prohibited in all areas of the Memorial.

36 CFR §5.5 – FILMING

The following types of filming activities may occur in areas open to the public without a permit and without advance notice to the NPS:

- Outdoor filming activities involving five persons or less and equipment that will be carried at all times, except for small tripods used to hold cameras.

The organizer of any other type of filming activity must provide written notice to the Superintendent at least 10 days prior to the start of the proposed activity. Based upon the information provided, the Superintendent may require the organizer to apply for and obtain a permit if necessary to:

- maintain public health and safety;
- protect environmental or scenic values;
- protect natural or cultural resources;
- allow for equitable allocation and use of facilities; or
- avoid conflict among visitor use activities.

If the Superintendent determines that the terms and conditions of a permit could not mitigate the concerns identified above in an acceptable manner, the Superintendent may deny a filming request without issuing a permit. The Superintendent will provide the basis for denial in writing upon request.

The NPS will consider requests and process permit applications in a timely manner. Processing times will vary depending on the complexity of the proposed activity. If the organizer provides the required 10 day advance notice to the NPS and has not received a written response from the NPS that a permit is required prior to the first day of production, the proposed filming activities may occur without a permit.

The following are prohibited:

1. Engaging in a filming activity without providing advance notice to the Superintendent when required or if the Superintendent has notified the organizer in writing that a permit is required.
2. Violating a term and condition of a permit issued under this action. Violating a term or condition of a permit issued under to this action may also result in the suspension and revocation of the permit by the Superintendent.
